ALUMNI ENGAGEMENT INNOVATION FUND
MARCH 1 TO MARCH 29, 2018
Somewhere between your exchange program, your school, or your job, you had an idea. That brilliant, genius idea that is going to change your community and our world.

But first, you need a team to help you, and you need funding. Through AEIF, we help exchange alumni fund community service projects around the world.
WHAT IS AEIF?

The Alumni Engagement Innovation Fund (AEIF) competition provides small grants – up to $25,000 – to teams of past and current participants of U.S. government-sponsored exchange programs to carry out public service projects that utilize skills and knowledge they have gained through their exchange experiences.

Philippines, Go Social, 2017
The State Department created AEIF in 2011 to support alumni initiatives that promote shared values and innovative solutions to global challenges.

Proposed projects must address one of the five AEIF themes. In 2017, 68 grants of up to $25,000 were awarded to alumni teams worldwide to support their public service projects.
2018 AEIF THEMES

- Fostering Economic Prosperity
- Building Civic Participation, Good Governance, and Resilient Communities
- Advancing Science, Technology, Health, and Innovation
- Promoting Inclusion and Educational Opportunity
- Empowering Women and Girls
To participate in AEIF, alumni must be members of the International Exchange Alumni (IEA) global online community and form teams of at least three alumni who are part of IEA.

Make sure that you have an active profile on alumni.state.gov!
To participate in AEIF, you’ll have to log on to your International Exchange Alumni (IEA) website account. If you forgot your password, make sure to update it early. Also, update your alumni profile on IEA to make it more appealing to AEIF teams.
