Requirements to Host

- Register by October 26, 2015 for the event on November 12, 2015.

- Provide a physical meeting space where individuals can gather.

- Ensure the necessary audio/ visual equipment and internet connection to display the live-stream online broadcast.

- Distribute print-outs of the provided discussion guide.

- Promote the meet-up to potential participants in advance of the event.

Benefits of Hosting

- No cost to participate.

- Your organization's name will appear on-screen during the broadcast.

- Your logo will appear on the PYXERA Global website and in promotional materials that will be shared with the media prior to the event.

- You will receive a discussion guide to facilitate conversations during and after the event.

Broadcast Themes

- The United Nations **Sustainable Development Goals (SDGs)** are a foundation for action to address some of the world's most difficult challenges.

- **Courageous collaborations** are harnessing the capabilities of the private, public, and social sectors.

- Innovators from the Hult Prize, the MIT IDEAS Global Challenge, and other **social entrepreneurs** are changing the face of **global development**.
